U.S.-India Importers' Council

Under the aegis of

EB5 - BUSINESS GATEWAY TO U.S.
U.S. Immigration Seminar on
11th October 2018 - Sofitel, BKC Mumbai.

U.S. INDIA IMPORTERS' COUNCIL (a not-for-profit initiative has firmly set itself as a catalyst in promoting economic growth by forging meaningful trade partnerships through dissemination of practical & relevant information, through the creation of networking platforms)

Under the aegis of

Maryland Center for Foreign Investment, LLC (founded the FIRST federally designated EB-5 regional center in the State of Maryland with additional approved geographic areas of Northern Virginia and Washington, DC. Since then, they have expanded into other regions across the country. MCFI assist foreign investors take advantage of the EB-5 investment immigration program, which helps them direct their assets towards sound investments and earn a permanent green card in the process. MCFI has a stellar track record of 100% I-526 approval, 100% I-829 approval and 100% track record of returning the investors \$500,000 capital investment back to them.)

Organised an U.S. Immigration Seminar on "EB5 – BUSINESS GATEWAY TO U.S." on 11th October 2018 at Sofitel, BKC Mumbai.

The interactive seminar helped Indian corporations and professionals become better informed about recent changes in U.S. Immigration Policy & Procedures, and learn about Immigration to the United States thru Investment in development projects through Regional Centers.

The key Speaker was Mr. Vivek Rao (Consultant India) at MCFI. Mr. Lawrence Chang (MCFI President & Principal) and Mr. Christian Dorsey (MCFI Executive Director) addressed the audience thru Skype.

Over 50 people registered for the seminar especially Business professionals willing to invest or start a new business in the US.
